

LIVING YOUR BEST LIFE™

MEMORANDUM

To: ALL RESIDENTS & STAFF
From: ANDREW DUJON, President/Chief Executive Officer
RE: Happy Valentine's Day Memo
Date: February 14, 2025

Good morning,

I hope this memo finds you well.

Thank you to the Waterman Communities Foundation, Sondra Luebke, and everyone who helped celebrate the Mount Dora Fire and EMS team with the Valentine's Day meal delivery. Your generosity supports the dedicated men and women who protect our community daily, and we truly appreciate your efforts.

The recent Heart Walk organized by our Wellness Department had a great turnout, and it was nice to see residents come together to support heart health awareness. Events like these promote wellness and reinforce our commitment to fostering a caring and active community.

The Super Bowl party was well received, with positive feedback on the presentation, food, and lively atmosphere. It was a team effort from our Culinary Department, and we appreciate the hard work that made the event successful. Thank you to all who participated.

This is a reminder to check out the latest weekly update from the Plant Operations Department on the resident portal.

I want to acknowledge Brady for going above and beyond by coming in on his day off to resolve internet connectivity concerns. The dedication of employees like Brady ensures that our community continues to run smoothly and that residents receive the best service possible. Please join me in recognizing and appreciating this extra effort.

Finally, I want to take this opportunity to wish you a Happy Valentine's Day! May your day be filled with joy, whether you celebrate with friends and family or take the time to appreciate our community.

Have a great weekend.

A handwritten signature in black ink, appearing to read "Andrew Dujon".
