

# Waterman Village Hurricane Prep List

When preparing for a hurricane, our residents may require additional items to ensure their safety and comfort.

A hurricane supply list should be kept on hand and include essential items such as:

- Medications, dosage and medical equipment - 30-day supply
- First aid kit
- Food and water that is easy to prepare and consume
- Flashlights and extra batteries
- Battery-powered radio and/or NOAA Weather Radio
- A backup power source such as a portable charger or battery-powered generator
- Personal care items like toiletries, disposable briefs
- Comfortable clothing
- Important documents like insurance policies and identification copies
- Pet Supplies
- Cell phone charger for a car

## Prep Ahead Tasks

- Charge your cell and devices
- Fill your car up with gas
- Grocery shop for non-perishable food items
- Refill prescriptions
- Fill bathtub with water for flushing toilets

Feeling uncomfortable about staying by yourself during and after the storm? Bridgewater and Edgewater have space available for you stay. Call Rosa Lesperance at extension 294 to make arrangements.
